## Sunday in Ordinary Time

Our young people went to New York to help others. How can we serve others in need here? St. Vincent Center (across from our church) is a ministry of the Holland Catholic Community that serves some of the needs of people in our community. Many of us bring food donations when we come to Mass but the Center could use more assistance in the following ways:

- Do some furniture pickups
- Volunteer an hour or two a week during open hours
- Donate to Feeding America West Michigan. Every \$10 buys \$100 worth of food.
- Pray that workers will receive just wages so nobody in this country goes hungry.

Nuestros jóvenes fueron a Nueva York a ayudar a los necesitados. ¿Cómo podemos servir a los necesitados de esta área? El Centro San Vicente de Paúl (que se encuentra ubicado enfrente de la iglesia) es un ministerio de la Comunidad Católica de Holland que sirve algunas de las necesidades de la gente en nuestra comunidad. Muchos de nosotros traemos donaciones de comida cuando venimos a Misa pero el Centro podría usar más ayuda de su parte haciendo lo siguiente:

- Ayudando a recoger muebles donados.
- Siendo voluntario/a por una o dos horas durante la semana.
- Donando a Feeding America West Michigan. Cada donación de \$10 compra \$100 de comida.
- Orando para que los trabajadores reciban un salario justo y así nadie sufra de hambre.

**WORDS that INVITE REFLECTION/ACTIONS FOR JUSTICE**—The protection of migrant children is an especially important issue for the Catholic Church, as one of Jesus' first experiences as an infant was to flee for his life from King Herod with his family to Egypt. Indeed, Jesus Himself was a child migrant fleeing violence. Jesus, Mary, and Joseph were asylum-seekers and faced the same choice as the one facing thousands of children fleeing to the United States each year.

In *Evangelii Gaudium*, the Holy Father speaks particularly of the importance of work with migrants and notes that it is essential for Catholics "to draw near to new forms of poverty and vulnerability [including migrants and refugees] in which we are called to recognize the suffering of Christ..."

The Catholic Church's work in assisting unaccompanied migrant children stems from the belief that every person has a unique and sacred dignity. ...this is true of the unborn child, the person with disabilities, the immigrant, the prisoner, and the sick. The more vulnerable and weak a person is the more they are deserving of our love. This we understand to be the mark of the Christian and of a healthy society.

**PALABRAS que nos INVITAN a la REFLEXIÓN y ACCIONES de JUSTICIA**—La protección de los niños inmigrantes es un asunto especialmente importante para la Iglesia Católica, porque una de las primeras experiencias de Jesús cuando era niño fue el de huir con su familia hacia Egipto para salvar su vida de la ira del Rey Herodes. En efecto, Jesús mismo fue un niño inmigrante huyendo de la violencia. Jesús, María, y José estaban pidiendo asilo y encararon la misma opción que encaran miles de niños huyendo a los Estados Unidos cada año. En el documento *Evangeli Gaudium* el Santo Padre habla particularmente de la importancia de trabajar con los inmigrantes y dice que es esencial para los católicos "acerarnos a las nuevas formas de la pobreza y vulnerabilidad [incluyendo a los inmigrantes y refugiados] en cuales estamos llamados a reconocer el sufrimiento de Cristo.

## To Your Health

Martha Kuyten, Parish Nurse

Did you know by calling 211 (United Way) provides people with a simple, effective way to get connected to available resources in their area. Why?

There are an increasing number of unmet needs for children, unemployed and underemployed individuals, older adults, the homeless and the new poor, but the resources available and the delivery systems for helping people are shrinking.

Eight to nine hours of sleep each night makes you feel better, but its importance goes beyond just boosting your mood. Adequate sleep is a key part of a healthy lifestyle, and can benefit your heart, weight, mind, and more.

## A Su Salud

Martha Kuyten, Enfermera  
de la Parroquia

*¿Sabía usted que llamando al 211 (United Way) le proporciona a la gente un medio simple y efectivo para conectarse con los recursos disponibles en su área? ¿Por qué es necesaria esta información?*

*El numero de necesidades que existen para los niños, los desempleados y los que trabajan pocas horas, los ancianos, los indigentes y los nuevos pobres, van incrementándose, pero los recursos disponibles para ayudar a la gente son menos cada día.*

### Beneficios de Dormir Bien

*Ocho a nueve horas de dormir cada noche le harán sentirse mejor, pero la importancia de un buen sueño va mas allá de mejorar su humor. El dormir adecuadamente es clave para un estilo de vida saludable, y puede beneficiarle a su corazón, su peso, su mente y mucho más.*
