November 16/17

### LECTOR ANNOUNCEMENT

A couple years ago our parish welcomed a refugee family from Cuba, the Rodriguez Matos family. That family is now in the process of working with Habitat for Humanity to build a home here in Holland. If you are interested in how to support this effort, there is a table in the Gathering Space where you can learn about the many different ways you can support this cause.

Advent wreaths and Christmas wreaths are now available for purchase. Please see the samples on the table in the gathering space and place your order today. All proceeds benefit youth ministry events.

Some of you will be receiving phone calls as well from our Parish Ambassadors – please be responsive to our volunteers if they call you for a visit.
