

This Sunday evening will cap a month of Sunday commemorations in honor of the 500<sup>th</sup> anniversary of the Reformation. Join us for a community-wide worship service to be held at Christ Memorial Church at 5 PM. (Note that's two hours earlier than the previous events.) A massed choir of local singers will complement the congregational singing. Bob Batastini, assistant choir director at St. Francis, will direct the choir, *and* the St. Francis de Sales Brass will be featured.
